S

ix-time Grand Slam title winner Boris Becker is a living legend in the world of tennis.

Now the same passion and determination that brought him to center-court so many times have become the very essence of his brand, BORIS BECKER TENNIS.

This season's collection, the SIGNATURE LINE, is engineered to enhance a player's performance with the same precision and power synonymous with the Becker style of play.

To showcase this prestigious line, we proudly present a story of two champions in a battle for the best signature moves, featuring Boris Becker himself, and Germany's rising star Benjamin Becker.  
Welcome to Becker vs Becker. Welcome to SIGNATURE LINE Tennis.

Dominate from  
the first serve,

to the last return!

Know how badly  
you want it

and how far you will go to get it!

Focus on scoring  
the point

to count on victory!

Records are made  
to be broken!

But a legend  
lives forever.
